

# **Point Wells Urban Center Development Application Submittal Appointment**

## **Agenda**

- Introductions
- Check application materials for consistency with applicable submittal checklists items.
- Questions and comments on application materials or urban center application review process to PDS staff by Shoreline and Woodway staff following intake.

## **Ground Rules**

- Application intake appointment will be in the Project Room, Admin West Building, 2<sup>nd</sup> floor that holds a max of 17 people, so capacity is limited. Due to limited room capacity, staff from Shoreline and Woodway will need to be limited to no more than two people per jurisdiction.
- The urban center development application intake appointment, attended by PDS staff, applicant and their consultants and representatives from Shoreline and Woodway is not a public meeting.
- The application completeness determination is made by PDS pursuant to SCC 30.70.040.
- No comment or appeal provision is provided for the determination of application completeness. However, Shoreline and Woodway representatives are welcome to ask questions and provide comments to PDS staff only regarding submitted application materials and the urban center application review process following the intake appointment.
